

The Call for Sessions is now closed

Thank you to all who took the time to submit a session. We are currently reviewing the session proposals and will inform everyone in due time:

- Funded participants will be notified during the **week of January 13, 2025**, and will have seven days to complete their registration and confirm their attendance.
- Self-funded successful applicants will be notified during **the week of January 27, 2025**.

We reserve the right to suggest merging sessions if necessary. Additionally, strong proposals that are not selected in the first stage, may still be considered if any of the chosen sessions cannot proceed.

Submitting a session proposal and participating in the Financing Feminist Futures Conference is free of charge. However, we have a limited capacity of 200 participants. The Walking the Talk consortium aims to support the participation (travel and accommodation costs) of up to 100 feminists from the Majority World. Please note that submitting a proposal does not guarantee financial assistance from the Walking the Talk consortium.

You did not submit a session for the conference but you would still like to participate? Pre-register now to be informed of the opening of the registrations.
